

We invite you to join THE

ACADEMY OF SCIENCE FICTION, FANTASY AND HORROR FILMS

(A NON PROFIT ORGANIZATION FOUNDED IN 1972 by Dr. Donald A. Reed)

This Los Angeles based organization annually votes the Saturn Awards honoring and recognizing the best in genre film and tv. We are a nationally recognized non-profit organization.

We are the only consistent Academy voting awards to the films and shows you love to watch. With a membership of almost 1000, we are always looking for serious genre film goers who would like to attend over 100 films a year. When you attend one of our screenings, you will be guaranteed a respectful audience who appreciate genre films. Besides screening science fiction, fantasy and horror, we also show action, adventure, thrillers, comedies and dramas.

As a member, you will enjoy the following:

- A) Being invited to over 100 films in a calendar year.
- B) Bringing a guest with you free to all our private screenings.
- C) Seeing a percentage of films before they open to the public.
- D) Speaking with other persons who enjoy these films.
- E) Participating in the annual voting for The Saturn Awards.
- F) Attending screenings with an audience who appreciates films. (you don't have to worry about talking during films, tolerating crying babies, and having some guy kick your seat every second).
